- Premium support with guaranteed response time

METROHM SERVICE AGREEMENT PRIME GLOBAL

The Metrohm Service Agreement Prime GLOBAL includes the following core elements:

	Scope
1 PM visit per year	Inspection, functional cleaning, status assessment, replacement of wearing parts, testing, calibration, and functional check
Pre-scheduled PM visit	Pre-scheduled maintenance service visit within a guaranteed time window
Calibration Certificates	Documentation of test results
Priority service	Priority treatment over non-agreement customers
PM Kit	Recommended, pre-defined essential wearing parts
Discount on consumables*	Reduced cost of consumables fitted during service
Spare parts included*	All parts included for corrective maintenance
Guaranteed response time**	First contact: within 4 business hours (via media, e.g., telephone, mail, ...) On-site visit: within 2-4 working days
Full repair protection*	All visits included for corrective maintenance

* For exact conditions, please contact your local Metrohm representative.

** The definition of such response times depends on local specifics and capabilities. Please contact your local Metrohm representative.

OPTIONAL MODULES

Maximize the value of your Metrohm Service Agreement by adding the optional modules that are important to you.

	Scope
Additional PM visits	Additional PM visits as needed
Documentation upgrade	Upgrade to GxP documentation

ADD-ON SERVICES***

Combine your Metrohm Service Agreement with our add-on services and benefit from attractive discounts and conditions.

	Scope
Buret Calibration	Certified checking of the accuracy and precision of burets
Software Care	Data maintenance, data backup, archiving
Remote Support	Support using PC to PC remote tools
Electrode Care	Electrode test, documentation, and performance assessment
Application Support	Start-up method development, troubleshooting advice, method optimization
Training	Various training programs
Performance Verification	Standardized wet-chemical test procedures; statistical evaluation
System Requalification	Frequent system retesting and calibration, e.g., as an extension to an initial IQ/OQ

*** Availability and conditions depend on local availability. Please contact your local Metrohm representative.
